**Subject:** IMPORTANT - SCOPE OF ACCREDITATION AS PER IS / ISO / IEC 17025 FOR RECOGNITION UNDER LABORATORY RECOGNITION SCHEME OF BIS

**LABORATORY POLICY & PLANNING DEPARTMENT**

**Our Ref.: LPPD/41**

**17-07-2015**

**Dear Sir/Madam,**

This has reference to your recognition under Laboratory Recognition Scheme (LRS) of BIS.

As you are already aware, at present, a laboratory seeking recognition under the LRS is required to be accredited as per IS/ISO/IEC 17025 for the broad scope field covering the Indian Standards for which it desires to be recognized under the LRS. In order to make this provision more meaningful, it is considered appropriate that scope of accreditation of BIS recognized labs / applicant labs should cover majority of tests / requirements prescribed / specified in the relevant Indian Standards for which the lab is recognized / desirous of being recognized under the LRS of BIS.

In view of above, it is advised that you may review your existing scope of accreditation as per IS/ISO/IEC 17025 and ensure that majority of the parameters specified in the relevant Indian Standards (for which your lab is recognized / desirous of being recognize under the LRS) are covered in your scope of accreditation.

We are also endorsing a copy of this mail to the concerned regional labs of BIS for appropriate follow-up and monitoring in this regard.

An early action in respect of the above is requested.

This is issued with the approval of the Competent Authority.

Thanking you,

**(Sanjay Gupta)**  
**Sc.-E (LPPD-OSLs)**
